Katana official use

I have read the race day rules of the 2008 Katana Sportsman late model touring series, and I agree to these rules and conditions. I understand that I am responsible for my actions as well as the actions of anyone that enters the pits under my car membership. I agree that this is a sportsman late model series, not a super late model series, and that the intent is to keep the cost of racing affordable. I understand that any infractions of the technical or race day rules will result in a loss of points and or awards at the discretion of the Katana Executive Committee.
